RALs and BS references shown are the nearest equivalent only.

For over 30 years, the Confidex® Guarantee from Tata Steel has been the leading product performance guarantee for Colorcoat HPS200 Ultra® and Colorcoat Prisma® pre-finished steel used in external building applications like roofing and wall cladding for industrial and commercial buildings.

Key features include:

- ▶ Extended guarantee cover for up to 40 years on Colorcoat HPS200 Ultra® and Colorcoat Prisma®.
- ▶ Factory cut edges covered for the entirety of the guarantee period.
- ▶ Factory manufactured roof and wall flashings are covered by Confidex® with the main roof and wall flashings if manufactured from Colorcoat HPS200 Ultra® or Colorcoat Prisma® and are registered for at the same time.
- ▶ No requirement for any inspections or maintenance to validate the guarantee except when Colorcoat HPS200 Ultra® and Colorcoat Prisma® are used on a roof or wall that has a Photovoltaic (PV) frame module installation.

- ▶ Offered directly to the building owner and provides a contractual relationship between Tata Steel and the building owner.
- ▶ Is fully transferable should building ownership change.
- ▶ Colorcoat HPS200 Ultra® and Colorcoat Prisma® can be used under Photovoltaic (PV) frame modules with no reduction in guarantee length ensuring all parts of the roof and walls are covered for the same duration of the Confidex® Guarantee. (Excluding all Element colours)
- ▶ Colour guarantee included as part of the Confidex® Guarantee for up to 20 years for Colorcoat Prisma® standard colours.

	 Colorcoat HPS200 Ultra® Colours		 Colorcoat Prisma® Colours		
	Signature Colour	Classic & Matt	Solid, Metallic & Matt	Elements	
INLAND	40 years	30 years	35 years	25 years	Roofs
	40 years	40 years	40 years	30 years	Walls
COASTAL	30 years	25 years	25 years	20 years	Roofs
	30 years	30 years	30 years	25 years	Walls

Table above only applies to projects in the UK.

Notes:

1. Figures under the Coastal heading are for buildings within 1km of any coast.
2. Full terms and conditions of the Confidex® Guarantee are on the online application form, available from www.colorcoat-online.com/registration
3. Confidex® must be registered within 3 months of the building completion date for the guarantee to be valid.
4. The Confidex® Guarantee periods on the diagram above are applicable to Zone 1. For more information visit www.colorcoat-online.com/confidexmap
5. Colorcoat HPS200 Ultra® Anthracite Matt is available with a Confidex® Guarantee of up to 40 years in northern Europe zone 1.
6. Flashings must be registered at the same time as the main roof and wall cladding to to be included.
7. GL Profiles recommend that the Tata Steel Inspection and maintenance guidance be followed on all our systems.
